

# Lift Up Your Community!

The COVID-19 pandemic continues to impact how we connect with and support our community. Although volunteering looks different these days, your time and talent are needed now more than ever.

**United Way Volunteer Connection** is committed to understanding the needs of our agency and community partners and providing meaningful ways for volunteers to get involved. We hope you will join us!

## UNITED4NEIGHBORS: NOTES OF ENCOURAGEMENT

Changing conditions hold older adults back from engaging in everyday activities that connect them to friends, family and the community. We set a goal of providing 15,000 Notes of Encouragement to local senior citizens. You can help by pledging to write notes today. Visit [UWGC.org/Volunteer/Events](https://www.uwgc.org/Volunteer/Events) for more information!

## UNITED WAY VIRTUAL PRODUCT DRIVES

When kids, families and older adults worry about finding food and personal items, they can't thrive. There are a variety of products available to donate through our Virtual Product Drives, powered by Amazon.com. Simply select the items you wish to contribute and ship them directly to United Way for distribution. Get started by signing up through our [Cincyhelps.org](https://www.cincyhelps.org) website!

## FREE TAX PREP

Build financial stability for families by helping them prepare and file their taxes virtually or at one of our Free Tax Prep sites. To learn more about the different types of volunteer roles and how you can help during the tax season, visit [UWGC.org/Tax-Volunteer](https://www.uwgc.org/Tax-Volunteer)

## DIY VOLUNTEER PROJECTS

We have several activities volunteers can do from home or the office! Examples include making No-Sew Fleece Blankets, putting together Healthy Snack Packs or assembling Personal Care Kits. Working with a team? Set a goal and work with your United Way Volunteer Connection representative to determine the best delivery method for your group.
