Who we are

We are the unifier that harnesses the collective power of resources to achieve results no one partner can achieve on its own.

We work with agencies and families, lifting them out of poverty, opening up educational opportunities, providing access to healthcare and bringing relief in crisis. We repair and build stronger foundations that address pervasive, systemic gaps for people in our community and, at the same time, tackle immediate needs for those impacted by crisis, like the COVID-19 pandemic.

By working with social services agencies, governmental agencies, community leaders, donors and more, we wrap our community in unending support. And as we work together, the power of generous donors, hardworking agency teams and solution-seeking community advocates demonstrate that our efforts can be applied further, for more people and in more places, than if we were working alone. That’s the true way to help. The United Way.

United Way of Greater Cincinnati is made up of a workforce of more than 90 committed individuals, tens of thousands of volunteers, 62,000 donors, more than 1,000 partner companies and 137 best-in-class social services agencies. Together we are dedicated to helping all people across the Cincinnati region to thrive.

How we do it

United Way’s approach is based on a simple value proposition: United is the best Way to help. Through this approach, we are uniquely able to drive our community’s effort to help all families build sustainable financial foundations.

In Our Rapidly Changing World, We’re Committed to:

• Stabilizing the nonprofit system of care for families
• Supporting families through direct relief efforts
• Empowering families to get help where they live, work and worship
• Innovating programs and systems to respond to a rapidly changed world

We will do this work together, by leaning into our strengths:

• System and sector leadership
• Philanthropy
• Convening and Will Building
• Innovation

While expanding our relationships in the community and increasing direct supports for community members.

WHAT DOES UNITED WAY DO?

In short, United Way helps people. We bring together people and resources to improve the lives of all in our region.

WHO OVERSEES UNITED WAY OF GREATER CINCINNATI?

United Way is a volunteer-led organization. We are governed by a local Board of Directors who represent every sector and region served. The Board develops strategic direction, sets policies and ensures capable staffing. A staff team of 130 works hand-in-hand with the board and dozens of other leadership and community volunteers.

WHY SHOULD I GIVE TO UNITED WAY?

United Way is a change agent, working to create long-term solutions to the challenges facing our community AND addressing immediate needs. Your gift is combined with thousands of others and invested in initiatives and programs essential to achieving the region’s Bold Goals in Education, Income and Health.

HOW DO I KNOW UNITED WAY USES THE FUNDS RESPONSIBLY?

We are audited each year by an independent accounting firm to ensure we are in compliance with generally accepted accounting procedures, regulations and laws. We strive to meet the philanthropic goals of our donors and offer a donor satisfaction guarantee. We are a long-standing member of the Better Business Bureau.

HOW CAN I GIVE?

You can donate online at any time at UWGC.org or make a gift during your company’s annual United Way campaign.

WHY SHOULD I GIVE TO UNITED WAY INSTEAD OF DIRECTLY TO AN AGENCY OR GROUP?

There are many things we can do as individuals to make a difference, like volunteering as a mentor or serving on a board or committee. There is also some work that we can only do together – as a community. With one gift to United Way, you support a variety of programs and initiatives making an impact in our community. If you’re passionate about a specific cause, talk with us about opportunities to target your gift to one of our impact areas.

BUT WHAT IF I WANT TO MAKE A CONTRIBUTION TO A SPECIFIC NONPROFIT?

Economy of scale helps us effectively invest in hundreds of area programs and initiatives. If you have a special interest in one of our impact areas, you may designate your gift to that cause on your pledge form. If there is a specific initiative or agency partner you’d like to support, you can also designate all or a portion of your gift.

WHY DOES UNITED WAY FUND A SYSTEM OF PROGRAMS INSTEAD OF A CAUSE?

Instead of focusing on one single cause, United Way invests in a system of programs and services across the areas of Education, Income and Health to meet the varied needs of people in our region. We view these areas as interconnected, much as the issues people face tend to be. They’re often complicated, with no one single solution.

For more frequently asked questions, please visit our website: UWGC.org/about-us/questions.
By leaving a legacy with United Way, you will partner with future leaders to ensure that every future generation receives the best care available. With United Way, your legacy will have the greatest possible community impact – forever.

For personal assistance in creating your legacy, please contact Rebecca Jones, Director of Planned Giving, at 513-762-7112 or email Rebecca.Jones@uwgc.org.
