Through this “gamified” experience, United Way’s knowledgeable staff will engage your team in an honest discussion around the issues that perpetuate poverty or slow down a family’s path toward self-sufficiency.

THE WALK:

Through this activity, participants will understand the obstacles and opportunities regarding early childhood development in our community and how access to this critical support can have an impact on our future.

PUZZLE MAP:

Activity to help raise awareness about the clusters of poverty in our region and showcase the scope and reach of United Way’s work.

Group: 10 – 30 people
