Who we are

We go after our community’s toughest challenges. We come up with new solutions to old problems. And we work with people from all walks of life to turn those solutions into action. We don’t focus on just one issue. We work to improve the financial stability, education, basic needs and health of every person in our community.

United Way has been the unifying force in our community for more than a century. We’re there every day. It’s not easy, but we don’t ever give up. As long as Cincinnati needs us, we will always unite this community to change lives.

Today, United Way of Greater Cincinnati is made up of a workforce of over 100 committed individuals, tens of thousands of volunteers, 85,000 donors, more than 1,000 partner companies, and 140 best-in-class social service agencies - all united in building a stronger community.

Together we are making life better for more than 300,000 people across the Cincinnati region.

How we do it

United Way’s approach is based on a simple value proposition: we are better together. Through this approach, we are uniquely able to drive our community’s effort to tackle poverty. We do this in three ways:

1. We understand community challenges: Through research and community engagement, we develop a deep, data-driven understanding of our community’s issues in the areas of financial stability, education, basic needs and health.

2. We create new solutions to meet community needs: We focus on the most important strategies with a family-centered approach for reducing poverty and we invest in a portfolio of the best programs that deliver results.

3. We bring organizations together to do more: We build partnerships across all sectors that coordinate services for communities, drive change in the policies and systems that hold families back and get results at a scale that no organization can alone.

Capacity Building & Innovation
Investing only in direct services is not enough to foster lasting change in our region. United Way has a key role in supporting learning, development, and innovation to find solutions to complex problems. We also help organizations gain expertise, address emerging needs, and foster ideas into life. In 2019, we are focusing on advancing co-created solutions to address shared challenges across the social service system through the Family Centered Innovation Network. We’re also continuing our effort to reduce racial disparities in poverty by learning from and investing in community-based, Black-Led ideas and leaders.
Investment: $618,825

Capacity Building Partners
We work with local partners that help strengthen the non profit community and support innovation to make our community stronger, such as the Nonprofit Leadership Council, Flywheel Cincinnati and the Jewish Federation of Cincinnati.
Investment: $219,000.00

Public Policy & Advocacy
We believe in creating a community where everyone has an opportunity to thrive and we’re committed to helping children and families in our region move out of poverty. We know these goals cannot be accomplished with only private funds. Government support is critical. That’s why United Way works directly with elected and appointed officials on the federal, state and local levels to address long-term and systemic issues that impact health, education and financial stability.
Investment: $2,695,000.00

SERVICES
United Way is proud to serve as a community by bringing partners together and providing startup capital and expertise to develop solutions where there are none. We are better together.

WHAT DOES UNITED WAY DO?

In short, United Way helps people. We bring together people and resources to improve the lives of all in our region.

WHO OVERSEES UNITED WAY OF GREATER CINCINNATI?

United Way is a volunteer-led organization. We are governed by a local Board of Directors who represent every sector and region served. The Board develops strategic direction, sets policies and ensures capable staffing. A staff team of 130 works hand-in-hand with the board and dozens of other leadership and community volunteers.

WHY SHOULD I GIVE TO UNITED WAY?

United Way is a change agent, working to create long-term solutions to the challenges facing our community AND addressing immediate needs. Your gift is combined with thousands of others and invested in initiatives and programs essential to achieving the region’s Bold Goals in Education, Income and Health.

HOW DO I KNOW UNITED WAY USES THE FUNDS RESPONSIBLY?

We are audited each year by an independent accounting firm to ensure we are in compliance with generally accepted accounting procedures, regulations and laws. We strive to meet the philanthropic goals of our donors and offer a donor satisfaction guarantee. We are a long-standing member of the Better Business Bureau.

HOW CAN I GIVE?

You can donate online at any time at UWGC.org or make a gift during your company’s annual United Way campaign.

WHY SHOULD I GIVE TO UNITED WAY INSTEAD OF DIRECTLY TO AN AGENCY OR GROUP?

There are many things we can do as individuals to make a difference, like volunteering as a mentor or serving on a board or committee. There is also some work that we can only do together – as a community. With one gift to United Way, you support a variety of programs and initiatives making an impact in our community. If you’re passionate about a specific cause, talk with us about opportunities to target your gift to one of our impact areas.

BUT WHAT IF I WANT TO MAKE A CONTRIBUTION TO A SPECIFIC NONPROFIT?

Economy of scale helps us effectively invest in hundreds of area programs and initiatives. If you have a special interest in one of our impact areas, you may designate your gift to that cause on your pledge form. If there is a specific initiative or agency partner you’d like to support, you can also designate all or a portion of your gift.

WHY DOES UNITED WAY FUND A SYSTEM OF PROGRAMS INSTEAD OF A CAUSE?

Instead of focusing on one single cause, United Way invests in a system of programs and services across the areas of Education, Income and Health to meet the varied needs of people in our region. We view these areas as interconnected, much as the issues people face tend to be. They’re often complicated, with no one single solution.

For more frequently asked questions, please visit our website: UWGC.org/about-us/questions.
By leaving a legacy with United Way, you will partner with future leaders to ensure that every future generation receives the best care available. With United Way, your legacy will have the greatest possible community impact – forever.

For personal assistance in creating your legacy, please contact Rebecca Jones, Director of Planned Giving, at 513-762-7112 or email Rebecca.Jones@uwgc.org.
