WHAT DOES UNITED WAY DO?
In short, United Way helps people. We bring together people and resources to improve the lives of all in our region.

WHO OVERSEES UNITED WAY OF GREATER CINCINNATI?
United Way is a volunteer-led organization. We are governed by a local Board of Directors who represent every sector and region served. The Board develops strategic direction, sets policies and ensures capable staffing. A staff team of 130 works hand-in-hand with the board and dozens of other leadership and community volunteers.

WHY SHOULD I GIVE TO UNITED WAY?
United Way is a change agent, working to create long-term solutions to the challenges facing our community AND addressing immediate needs. Your gift is combined with thousands of others and invested in initiatives and programs essential to achieving the region’s Bold Goals in Education, Income and Health.

HOW DO I KNOW UNITED WAY USES THE FUNDS RESPONSIBLY?
We are audited each year by an independent accounting firm to ensure we are in compliance with generally accepted accounting procedures, regulations and laws. We strive to meet the philanthropic goals of our donors and offer a donor satisfaction guarantee. We are a long-standing member of the Better Business Bureau.

HOW CAN I GIVE?
You can donate online at any time or make a gift during your company’s annual United Way campaign.

WHY SHOULD I GIVE TO UNITED WAY INSTEAD OF DIRECTLY TO AN AGENCY OR GROUP?
There are many things we can do as individuals to make a difference, like volunteering as a mentor or serving on a board or committee. There is also some work that we can only do together – as a community. With one gift to United Way, you support a variety of programs and initiatives making an impact in our community. If you’re passionate about a specific cause, talk with us about opportunities to target your gift to one of our impact areas — education, income or health.

BUT WHAT IF I WANT TO MAKE A CONTRIBUTION TO A SPECIFIC NONPROFIT?
Economy of scale helps us effectively invest in hundreds of area programs and initiatives. If you have a special interest in one of our impact areas – education, income or health – you may designate your gift to that cause on your pledge form. If there is a specific initiative or agency partner you’d like to support, you can also designate all or a portion of your gift.

WHY DOES UNITED WAY FUND A SYSTEM OF PROGRAMS INSTEAD OF A CAUSE?
Instead of focusing on one single cause, United Way invests in a system of programs and services across the areas of Education, Income and Health to meet the varied needs of people in our region. We view these areas as interconnected, much as the issues people face tend to be. They’re often complicated, with no one single solution.

For more frequently asked questions, please visit our website at www.uwgc.org/about-us/questions.
By leaving a legacy with United Way, you will partner with future leaders to ensure that every future generation receives the best care available. With United Way, your legacy will have the greatest possible community impact – forever.

For personal assistance in creating your legacy, please contact Mary Ann Remke, Director of Planned Giving, at 513-762-7112 or email maryann.remke@uwgc.org.
